

South Florida Hydrologic Society

Presents

Rick Nevulis P.G.

South Florida Water Management District

Reuse Coordinator

Don't Judge Water by its History, but by its Quality: Reclaimed Water, a Valuable Resource

February 17, 2010. Social hour begins at 5:30 pm, talk at 6:30

Please **RSVP** to neil.johnson@mwhglobal.com

Location:

Azteca Real Restaurant

8800 W. State Road 84 Davie, FL

[\(Southwest corner of I-595 and S Pine Island Boulevard\)](#)

The [South Florida Hydrologic Society](#) (SFHS) is a non-profit, professional society, established to provide:

- A forum for the exchange of information related to the unique groundwater and surface water hydrology of South Florida;
- Professional networking opportunities for students, scientists, consultants, regulators, and utilities;
- Professional development through mentoring and education;
- Outreach to the general public on South Florida-related hydrologic issues.

We are seeking members from:

- Consulting firms
- Government agencies (utilities, counties, SFWMD, USGS, USACE, etc.)
- University students and faculty

For more information, contact:

- Neil Johnson/MWH
- Jayantha Obeysekera/SFWMD
- Mike Sukop/FIU
- Chris Peters/CH2M HILL

Future meeting topics will include:

- Saltwater intrusion
- Stormwater
