

# South Florida Hydrologic Society

Presents

*Lester J. Williams and Joseph D. Hughes, USGS*

## "USGS Regional Assessment of the Floridan Aquifer System:

Updating the hydrogeologic framework and underlying hydrologic databases that are being used for future modeling efforts"

**May 18, 2011**

Social hour begins at 5:30 pm, followed by brief meeting and talk at 6:30

Please **RSVP** to [neil.johnson@mwhglobal.com](mailto:neil.johnson@mwhglobal.com)

**Wings Plus**

**9880 Sample Road, Coral Springs FL**

(East of Sawgrass Expressway between Coral Springs Drive and N University Drive)

The [South Florida Hydrologic Society](#) (SFHS) is a non-profit, professional society, established to provide:

- A forum for the exchange of information related to the unique groundwater and surface water hydrology of South Florida
- Professional networking opportunities for students, scientists, consultants, regulators, and utilities
- Professional development through mentoring and education
- Outreach to the general public on South Florida-related hydrologic issues
