

Announcing the

South Florida Hydrologic Society Inaugural Meeting

5 pm, February 11, 2009

LOCATION:

Azteca Real Restaurant

8800 W. State Road 84 Davie, FL

[\(Southwest corner of I-595 and S Pine Island Boulevard\)](#)

**Kevin Cunningham of the USGS will present:
“An Introduction to the Hydrology of South Florida”**

The [South Florida Hydrologic Society](#) (SFHS) is a non-profit, professional society, established to provide:

- A forum for the exchange of information related to the unique groundwater and surface water hydrology of South Florida;
- Professional networking opportunities for students, scientists, consultants, regulators, and utilities;
- Professional development through mentoring and education;
- Outreach to the general public on South Florida-related hydrologic issues.

We are seeking members from:

- Consulting firms
- Government agencies (utilities, counties, SFWMD, USGS, USACE, etc.)
- University students and faculty

Future Meeting Topics will include:

- Hydrologic history of South Florida
- Everglades restoration update
- Climate change
