[From Sawgrass: east on 595 to University Drive.](#)

[Just south of I-595 on west side of University Drive in Bed, bath, and Beyond plaza.](#)

The [South Florida Hydrologic Society](#) (SFHS) is a non-profit, professional society, established to provide:

- A forum for the exchange of information related to the unique groundwater and surface water hydrology of South Florida;
- Professional networking opportunities for students, scientists, consultants, regulators, and utilities;
- Professional development through mentoring and education;
- Outreach to the general public on South Florida-related hydrologic issues.

We are seeking members from:

- Consulting firms
- Government agencies (utilities, counties, SFWMD, USGS, USACE, etc.)
- University students and faculty

Future meeting topics will include:

- Everglades restoration update
- Climate change

For more information, contact:

- Neil Johnson/MWH
- Chris Langevin/USGS
- Jayantha Obeysekera/SFWMD
- Mike Sukop/FIU
- Chris Peters/CH2M HILL
