The South Florida Hydrologic Society (SFHS <http://sfhs.fiu.edu>) is a non-profit, professional society, established to provide:

- A forum for the exchange of information related to the unique groundwater and surface water hydrology of South Florida
- Professional networking opportunities for students, scientists, consultants, regulators, and utilities
- Professional development through mentoring and education
- Outreach to the general public on South Florida-related hydrologic issues

For more information, contact:

- Tara Root/FAU
- Neil Johnson/MWH
- Stewart Magenheimer/CDM
- Jennifer Barnes/SFWMD
- Elizabeth Geddes/FAU/SFWMD
