November 17, 2010.

Social hour begins at 5:30 pm, elections and talk at 6:30

Please RSVP to neil.johnson@mwhglobal.com

New Location:

Wings Plus

9880 Sample Road, Coral Springs FL

(East of Sawgrass Expressway between Coral Springs Drive and N University Drive)

The South Florida Hydrologic Society (SFHS) is a non-profit, professional society, established to provide:

- A forum for the exchange of information related to the unique groundwater and surface water hydrology of South Florida;
- Professional networking opportunities for students, scientists, consultants, regulators, and utilities;
- Professional development through mentoring and education;
- Outreach to the general public on South Florida-related hydrologic issues.

We are seeking members from:

- Consulting firms
- Government agencies (utilities, counties, SFWMD, USGS, USACE, etc.)
- University students and faculty

Future meeting topics will include:

- Turkey Point Power Plant
- Stormwater

 GSSHA: Gridded Surface/Subsurface Hydrologic Analysis Model
