Research Hydrogeologist, USGS

SHRIMPS TO CHIMNEYS: Ten years of groundwater flow-path discovery in the carbonate Florida Platform

March 20, 2019

Social hour begins at 5:30 pm, followed by brief meeting and talk at 6:00pm.

We will also be celebrating the 10-year Anniversary of the South Florida Hydrologic Society. This event will be a bit more festive than usual and we will invite participants to share how the Society has impacted their careers and/or great things they learned from Society talks over the years.

NOMINATIONS FOR OFFICER POSITIONS ARE ALSO OPEN!

WINGS IN WESTON
1354 SW 160th Ave
Weston, FL 33326

The [South Florida Hydrologic Society](#) (SFHS) is a non-profit, professional society, established to provide:

- A forum for the exchange of information related to the unique groundwater and surface water hydrology of South Florida
- Professional networking opportunities for students, scientists, consultants, regulators, and utilities
- Professional development through mentoring and education
- Outreach to the general public on South Florida-related hydrologic issues
